CERTIFICATE OF SURVEY

April 23, 1949

This is to certify that I have this day made a survey at the request of the Greene
County Circuit Court and staked corners as follows in the West.

The West one-half of the North West one-quarter of the South East one - quarter of Section 30 , T-6-N , R-3-W , also a strip off of the East side of the South West one-quarter of the South East one-quarter of section 30 T-6-N , R-3-W starting at the South East corner of above tract 6 rods wide running South in even width to State Highway # 45. Also a passway across the North East Corner of the ~~South~~ West one-quarter of the South East one-quarter of section 30 T-6-N , R-3-W a maximum width of 33 ft. as done by locat:

This was done by locating stones (X) & (A) as shown in plat below and measuring East to established East Section line of Section # 30 this distance being 4036.4^s: therefore Corner (C) was located 1345.5 East of stone (A) and 1323 feet North of established South line of Section 30. Corner (D) located 672.75 feet ~~East~~^{EAST} of (C) and 1323 feet North of South Section Line. Corner (F) was located 1323 feet North of (A) and 1345.5 East by using a line extended North through Stones (X) and (A). Corner (E) was located thence 672.75 feet East of Corner (E) in same manner. Passage ways were then located from these corners. Stakes were also set in line between corners (B) and (D) on line only to show this line.
